Setting:

Goblin Guard 1 & 2 are watching over the lower level of Grock's dungeon. Meanwhile, in the only occupied cell of the dungeon, Erik projects his spirit astrally.

(Scene begins ...)

Translucent Erik steps to the far end of the hall where two goblins stand near the door leaning against the wall. He tilts forward and whispers something in GOBLIN GUARD 1's ear. Nothing happens. Translucent Erik purses his lips, leans closer, and whispers again, longer.

Goblin Guard 1's eyes turn to study the dark hall ahead. He sluggishly pushes away from the wall.
